

Version Cases 3

GVR3-2026-10 | supersede and cite

Superseded draft

A superseded draft value must not be revived; answers cite the approved version. Id GVR3-2026-10.

Cite version

A grounded answer records which source version it used.

Two shapes

Two shapes may cite different versions of the same material; each keeps its own pin.

并存版本

同一资料的多个版本可并存;新增形状默认引用最新就绪版本。

Rollback cite

After a rollback, existing pinned shapes keep their citation; only new requests move.

草案标注

回答提到被否决草案时必须明确标注其为已否决,并引用批准替代值。
